PROFILE

Passionate undergraduate specializing in Cyber Security with a keen interest in understanding and mitigating cyber threats. Seeking hands-on projects and internships to further develop expertise and contribute to digital security best practices.

EXPERIENCE

Technical Team Member, CyberTrix Club   Apr 2024 - Present

- Voluntarily joined and passed the recruitment process for the technical team.
- Developed and maintained websites for events, ensuring flawless execution during programs.
- Provided technical support, enhancing user experience for participants.

Capture The Flag (CTF)   2023 - Present

- Participated in over 15 CTF events, securing top positions in 6 on-site and 1 remote events.
- My Team "Binary Misfits" achieved 2nd place at Texus (SRM Ramapuram College).
- Achieved 1st place in over five CTF events organised in Sathyabama Institue Of Science And Technology.

LICENSES & CERTIFICATIONS

Google Cyber Security Professional Certification

- The course is well-structured and comprehensive, covering a broad range of essential topics such as system security, network security, data protection, and incident response. The material is presented in a clear and engaging manner, making complex concepts accessible to beginners. Each module builds upon the previous one, ensuring a cohesive learning journey.

MongoDB Certification

- Completing the MongoDB Certification has been an incredibly rewarding experience. The certification journey provided a deep dive into both fundamental and advanced aspects of MongoDB, enhancing my understanding and proficiency with this powerful No-SQL database.

EXTRACURICULAR

Video Editing

- 7 Years of experience with various video editing software.
